**SUMMARY:**

1. Reference: a) HPCG circular Nr 03 dtd 07 Feb 2002  
b) HPCG Memo Circular Nr 03 dtd 24 Jan 2001
2. Reference also pertains to the additional Enlisted Grades the SCPO (E-8) and PO (E-9) in the HPCG Service. (Encl 1)
3. Reference also pertains to the CPCG approved reclassification of Field Stations and considered the unit equivalent of Class "C" station (Encl 2) where SCPO and PO can occupy the position due to shortage of Commissioned Officers. In view that the Field Station Commanders of CGIF are mandated to perform duties and responsibilities similar to that of the Coast Guard Station Commanders with their scope of authority which is even greater for having an AOR that covers the whole Coast Guard District, it is but fitting and appropriate that their present assignment be credited as equivalent to that of Class "D" Station Commander.
4. At present, eight (8) out of ten (10) CGIF Field stations are being headed by non-Commissioned Officers; with the rank of E-6 to E-8. However, the approved Table of Distribution in the subject circular, does not prescribe said positions.
5. Furthermore, with the activation of Headquarters Support Group (HSG) as a special unit of the Philippine Coast Guard, the CMAA is also entitled the rank of PO (E-9). But again in the Table of Distribution of subject circular it does not specify said positions.
6. In this connection, CG-1 recommends the following:
  - a) amendment in para 6 (b) (6) of HPCG Circular No. 3 (Dtd 07 Feb 2002) (see enclosed proposed amended paragraph) i.e. inclusion of FS Commanders position.
  - b) amendment in the Table of Distribution on the additional posts for designated FS Commanders and US Chief Master at Arms (CMAA).
